### REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION

The Board of Directors ADCB Securities L.L.C. Abu Dhabi, U.A.E.

#### Introduction

We have reviewed the accompanying condensed interim statement of financial position of ADCB Securities L.L.C. (the "Company") as at 30 September 2015 and the related condensed interim statements of comprehensive income, changes in equity and cash flows for the nine-month period then ended (together, the "condensed interim financial information"). Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with International Accounting Standard 34, "Interim Financial Reporting ("IAS 34")". Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

#### Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information of ADCB Securities L.L.C. is not prepared, in all material respects, in accordance with IAS 34.

#### Other matters

The comparative amounts in the condensed interim statement of financial position at 31 December 2014 and related explanatory information were audited by another auditor whose report dated 1 February 2015 expressed an unmodified opinion thereon. The prior period comparative amounts in the condensed interim statement of comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flows and the related explanatory information for the nine-month period ended 30 September 2014, were reviewed by another auditor who issued an unmodified conclusion dated 28 October 2014.

The Company is conducting a significant portion of its business through its Parent Company and customers which are holding current accounts with ADCB.

### 2 Summary of significant accounting policies

#### Basis of preparation

These condensed interim financial information have been prepared in accordance with IAS 34 "Interim Financial Reporting". They do not include all of the information required for full annual financial statements, and should be read in conjunction with the audited annual financial statements for the year ended December 31, 2014, which were prepared in accordance with International Financial Reporting Standards (IFRS).

The same accounting policies, presentation and methods of computation have been followed in these condensed interim financial information as were applied in the preparation and presentation of the audited annual financial statements for the year ended December 31, 2014, except for the adoption of following new standards and interpretations effective from an accounting period that begins on or after January 1, 2015:

- Annual Improvements to IFRSs 2010 2012 Cycle that includes amendments to IFRS 2, IFRS 3, IFRS 8, IFRS 13, IAS 16, IAS 38 and IAS 24.
- Annual Improvements to IFRSs 2011 2013 Cycle that includes amendments to IFRS 1, IFRS 3, IFRS 13 and IAS 40.
- Amendments to IAS 19 Employee Benefits clarify the requirements that relate to how contributions from employees or third parties that are linked to service should be attributed to periods of service.

Other than the above, there are no other significant IFRSs and amendments that were effective for the first time for the financial year beginning on or after January 1, 2015. The application of the above new and revised IFRSs has not had any material impact on the amounts reported for the current and prior periods but may affect the accounting for the Company's future transactions or arrangements.

## Notes to the condensed interim financial information for the nine month period ended September 30, 2015

#### 2 Summary of significant accounting policies (continued)

### Basis of preparation (continued)

The results for the nine month period ended September 30, 2015 are not necessarily indicative of the results that may be expected for the financial year ending December 31, 2015.

These condensed interim financial information are prepared and presented in United Arab Emirates Dirhams (AED) which is the Company's functional and presentation currency and are rounded off to the nearest thousand ("000") unless otherwise indicated.

The preparation of the condensed interim financial information in conformity with IFRSs requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The main areas of judgments, estimates and assumptions applied in this condensed interim financial information, including the key sources of estimation uncertainty were the same as those applied in the Company's financial statements for the year ended December 31, 2014.
