Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

#### Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Other matter

The financial statements of the Company for the year ended 31 December 2019 were audited by another auditor who expressed an unmodified opinion on those statements on 29 March 2020.

The condensed interim financial information of the Company for the six months period ended 30 June 2019 were reviewed by another auditor who expressed an unmodified conclusion on 31 July 2019.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with IAS 34.
