INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION TO THE BOARD OF DIRECTORS OF ADCB SECURITIES L.L.C.

Introduction

We have reviewed the accompanying condensed interim statement of financial position of ADCB Securities L.L.C. (the "Company") as of 30 June 2024 and the related statements of comprehensive income for the six-month period then ended, changes in equity and cash flows for the six-month period then ended and material accounting policy information and other explanatory notes. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with International Accounting Standard 34 Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information of the Company is not prepared, in all material respects, in accordance with IAS 34.

Other Matter

The Company's financial statements for the year ended 31 December 2023 and interim financial information for the three-month and six-month periods ended 30 June 2023 were audited and reviewed respectively by another auditor who expressed an unmodified opinion and unmodified conclusion on those statements and that information on 29 February 2024 and 9 August 2023 respectively.

Notes to the condensed interim financial information For the six month period ended June 30, 2024

1 Activities and area of operations

ADCB Securities L.L.C. (the "Company") is a limited liability company incorporated in the Emirate of Abu Dhabi, United Arab Emirates (U.A.E.). The Company was established on February 7, 2005 and commenced its operations on May 14, 2005 and is a wholly owned subsidiary of Abu Dhabi Commercial Bank P.J.S.C. (the "Parent Company" or "ADCB"), a public joint stock company incorporated and registered in the U.A.E. The registered head office of the Company is at Abu Dhabi Commercial Bank Head Office Building 2, Sheikh Zayed Bin Sultan Street, P. O. Box 939, Abu Dhabi, U.A.E.

The Company is registered as a brokerage company in accordance with U.A.E. Federal Law No. 4 of 2000.

The principal activities of the Company are to provide brokerage services pertaining to financial instruments and margin trading activity.

The Company conducts significant portion of its business through its Parent Company and customers, who are holding current accounts with ADCB.

2 Summary of material accounting policies

2.1 Basis of preparation

The condensed interim financial information have been prepared on a going concern basis and in accordance with IAS 34 "Interim Financial Reporting". It does not include all of the information required for full annual financial statements and should be read in conjunction with the audited financial statements for the year ended December 31, 2023, which were prepared in accordance with IFRS Accounting Standards as issued by the International Accounting Standard Board (IASB) (IFRS Accounting standards), International Financial Reporting Interpretation Committee (IFRIC) Interpretations and requirements of applicable laws including UAE Federal Decree Law No. 32 of 2021 which came into effect on January 2, 2022 replacing the UAE Federal Law No. 2 of 2015 (as amended) and the applicable provisions of Law No. (1) of 2017 (as amended) issued by the Department of Finance.

The same accounting policies, presentation and methods of computation have been followed in this condensed interim financial information as were applied in the preparation and presentation of the Company's financial statements for the year ended December 31, 2023.

The results for the six month period ended June 30, 2024 are not necessarily indicative of the results that may be expected for the financial year ending December 31, 2024.

These condensed interim financial information are prepared and presented in United Arab Emirates Dirhams (AED) which is the Company's functional and presentation currency and are rounded off to the nearest thousand ("000") unless otherwise indicated.

The preparation of the condensed interim financial information in conformity with IFRS Accounting Standards requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The main areas of judgments, estimates and assumptions applied in this condensed interim financial information, including the key sources of estimation uncertainty were the same as those applied in the Company's financial statements for the year ended December 31, 2023.

Notes to the condensed interim financial information For the six month period ended June 30, 2024

2 Summary of material accounting policies (continue)

2.2 Application of new and revised International Financial Reporting Standards (IFRSs)

In the current period, the Company has applied the amendments to IAS 1, IAS 7, IFRS 7 and IFRS 16. The application of these amendments to IFRS has not had any material impact on the amounts reported for the current and prior periods but may affect the accounting for the Company's future transactions or arrangements.

Other than the above, there are no other significant IFRS Accounting Standards, amendments or interpretations that were effective for the first time for the financial year beginning on or after January 1, 2024.

2.3 Standards and Interpretations in issue but not yet effective

The Company has not early adopted any new and revised IFRS Accounting Standards that have been issued but are not yet effective.

| New standards and significant amendments to standards applicable to the Company: | Effective for annual periods beginning on or after |
|--|--|
| Lack of Exchangeability (amendments to IAS 21) - The amendments contain guidance to specify when a currency is exchangeable and how to determine the exchange rate when it is not. | January 1, 2025 |
| Amendments to IFRS 9 and IFRS 7 - The amendments address matters identified during the post-implementation review of the classification and measurement requirements of IFRS 9. | January 1, 2026 |
| Presentation and disclosures in financial statements (IFRS 18) - The new standard contains requirements for all entities applying IFRS for the presentation and disclosure of information in financial statements. | January 1, 2027 |

Management anticipates that these amendments will be adopted in the financial information in the initial period when they become mandatorily effective. The impact of these standards are currently being assessed by the management.

3 Investment security

The credit period for trade receivables and receivable from exchanges are two days (trade date plus two working days). The Company has an obligation to settle these amounts to the eventual recipient, even if the equivalent amounts are not collected. The carrying value of trade and other receivables approximates their fair value.

5 Margin trade receivables

The Company has obtained the license from Securities and Commodities Authority (SCA) under registration no. 604028 dated November 24, 2013 for margin trading, whereby the Company would provide finance to its clients as a percentage of the market value of securities. These securities are considered as collateral. Additional cash or securities have to be contributed by the borrower, if the price of a stock financed on margin drops below the specified limit or otherwise, the Company is allowed to liquidate the collateral. The financing arrangements are short term and interest bearing.

Bank guarantees

As per SCA regulations, a broker is required to have an enforceable bank guarantee payable to respective stock markets. The above bank guarantees have been issued by the Parent Company.

12 Fair value of financial instruments

Management considers that the carrying amounts of financial assets and liabilities in the financial statements approximate their fair values.

Financial assets classified as Investment securities are carried at fair value using the quoted prices (unadjusted) in active market. These are classified as Level 1 of fair value hierarchy.

Level 1 Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

13 Taxation

On December 9, 2022, the United Arab Emirates (UAE) Ministry of Finance (MoF) released Federal Decree-Law No 47 of 2022 on the Taxation of Corporations and Businesses, Corporate Tax Law (CT Law) to enact a new CT regime in the UAE. The new CT regime has become effective for accounting periods beginning on or after June 1, 2023. As the Company's accounting year ends on December 31, the first tax period will be the period from January 1, 2024 to December 31, 2024, with the respective tax return to be filed on or before September 30, 2025. The taxable income of the entities that are in scope for UAE CT purposes will be subject to the rate of 9% corporate tax.

The tax charge through income statement for the six month period ended June 30, 2024 is AED 419 thousand (for the six month period ended June 30, 2023: AED nil), representing an Effective Tax Rate ("ETR") of 9% (June 30, 2023: nil).
