REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

The Board of Directors Emirates NBD Securities LLC Dubai United Arab Emirates

Introduction

We have reviewed the accompanying condensed statement of financial position of **Emirates NBD Securities LLC** (the "Company"), **Dubai**, **United Arab Emirates** as at 30 June 2022 and the related condensed statement of comprehensive income, condensed statement of changes in equity and condensed statement of cash flows for the six months period then ended. Management is responsible for the preparation and presentation of this interim financial information in accordance with International Accounting Standard 34 - *Interim Financial Reporting* ("IAS 34"). Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects in accordance with IAS 34.

1 LEGAL STATUS AND PRINCIPAL ACTIVITIES

Emirates International Securities LLC ("the Company") was incorporated in the emirate of Dubai on 10 November 2001, under the Commercial Companies Law (Federal Law Number 8 of 1984 as amended) as a Limited Liability Company. Federal Law No. 32 of 2021 on Commercial Companies (the "New Companies Law") was issued on 20 September 2021 and has come into effect on 2 January 2022, to entirely replace Federal Law No. 2 of 2015 on Commercial Companies, as amended (the "2015 Law"). The Company is in the process of reviewing the new provisions and will apply the requirements thereof no later than one year from the date on which the amendments came into effect. On 8 November 2009, the Company received regulatory approval to merge with NBD Securities LLC ("acquired entity") and changed its name from Emirates International Securities LLC to Emirates NBD Securities LLC.

On 21 November 2009 (the effective date), NBD Securities LLC transferred all its assets and liabilities to the Company to complete the merger of the two entities.

The share holding pattern in the Company is as follows:

Name of equity holders			Shareholding (%)
	2.5	_ 4	
Emirates NBD Bank PJSC ("Parent Bank")			99%
Emirates NBD Capital (P.S.C)			1%

Following the merger of Emirates Bank International PJSC and the National Bank of Dubai PJSC during 2007, the Company's Ultimate Parent Bank is Emirates NBD Bank PJSC, a Bank in which the Investment Corporation of Dubai is the majority shareholder.

The principal activity of the Company is to act as an intermediary in dealings in shares, stocks, debentures and securities.

The registered address of the Company is P.O. Box 2923, Dubai, United Arab Emirates.

2 STATEMENT OF COMPLIANCE

These condensed interim financial statements have been prepared in accordance with International Accounting Standard ("IAS") 34 "Interim Financial Reporting". Selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the financial position and performance of the Company since the last annual financial statements as at and for the year ended 31 December 2021. These condensed interim financial statements do not include all the information required for full annual financial statements prepared in accordance with International Financial Reporting Standards and should be read in conjunction with the financial statements as at and for the year ended 31 December 2021 except for the changes in accounting policies as explained in note 3.

In addition, results for the six months ended 30 June 2022 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2022.

3 CHANGES IN ACCOUNTING POLICIES

In preparing these condensed interim financial statements, significant judgements made by the management in applying the Company's accounting policies and the key sources of estimation were the same as those that were applied in the annual financial statements as at and for the year ended 31 December 2021.

4 FINANCIAL RISK MANAGEMENT

The Company's financial risk management objectives and policies are consistent with those disclosed in the annual financial statements as at and for the year ended 31 December 2021.

12 FAIR VALUE MEASUREMENT PRINCIPLES

Fair values

Fair values versus carrying amounts

The fair values of the financial instruments are not materially different from their carrying amounts.

Fair value hierarchy

The table below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Audited 31 December 2021

Equity Securities ;		
FVTPL		192
FVOCI		135
		327

12 FAIR VALUE MEASUREMENT PRINCIPLES (CONTINUED)

The fair value of financial instruments classified as level 3 are, in certain circumstances, measured using valuation techniques that incorporate assumptions that are not evidenced by the prices from observable current market transactions in the same instrument and are not based on observable market data. The Company employs valuation techniques, depending on the instrument type and available market data. For example, in the absence of active market, an investment's fair value is estimated on the basis of an analysis of the investee's financial position and results, risk profile and other factors. Favorable and unfavorable changes in the value of financial instruments are determined on the basis of changes in the value of the instruments as a result of varying the levels of the unobservable parameters, quantification of which is judgmental.
