Independent auditors' report on review of condensed unconsolidated interim financial information

The shareholders Al Safwa Islamic Financial Services (PJSC)

Introduction

We have reviewed the accompanying condensed unconsolidated interim statement of financial position of Al Safwa Islamic Financial Services (PJSC) (the Company) as at 30 June 2012, the condensed unconsolidated interim statements of comprehensive income, changes in equity and cash flows for the sixmonth period then ended, and notes to the condensed unconsolidated interim information (the condensed unconsolidated interim financial information). Management is responsible for the preparation and presentation of this condensed unconsolidated interim financial information in accordance with IAS 34, 'Interim Financial Reporting'. Our responsibility is to express a conclusion on this condensed unconsolidated interim financial information based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity'. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed unconsolidated interim financial information as at 30 June 2012 is not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting'.
